Artificial Intelligence Application Development Practical
Module - II
Practical – XII

Roll No.:T054	Name:Priti Yadav
Class:TYIT	Batch:2
Date of Assignment: 26/09/26	Date/Time of Submission: 26/09/26

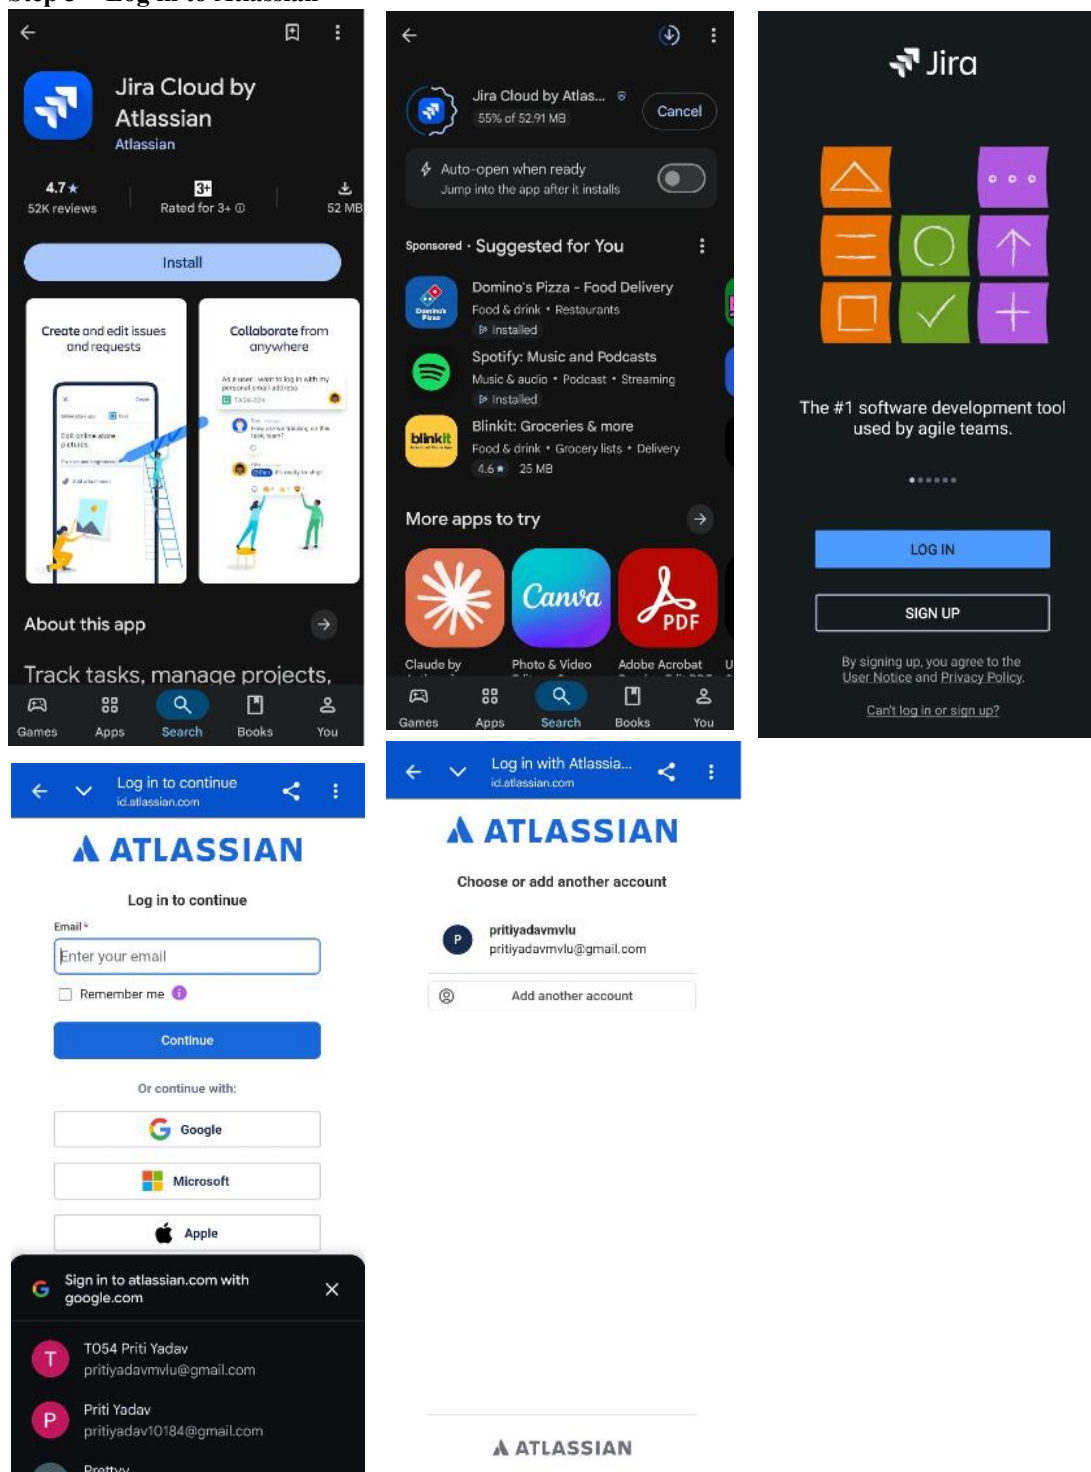

12. Introduction to Jira Mobile App

A.Install and configure the Jira Mobile App.

Step 1 – Open Play Store and search Jira Cloud by Atlassian

Step 2 – Install the App

Step 3 – Log in to Atlassian

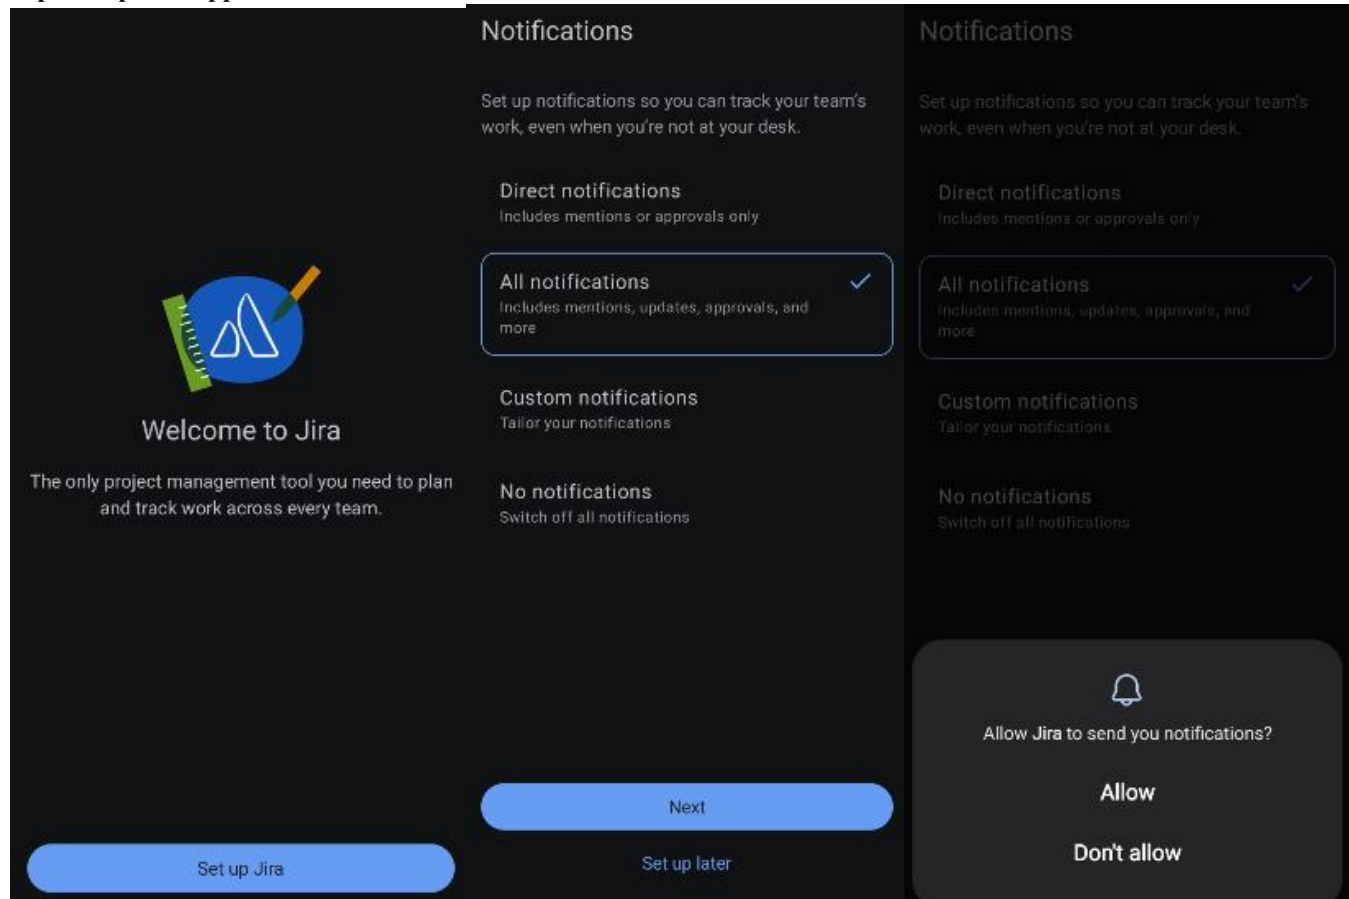

Step 4 – Set Up Jira

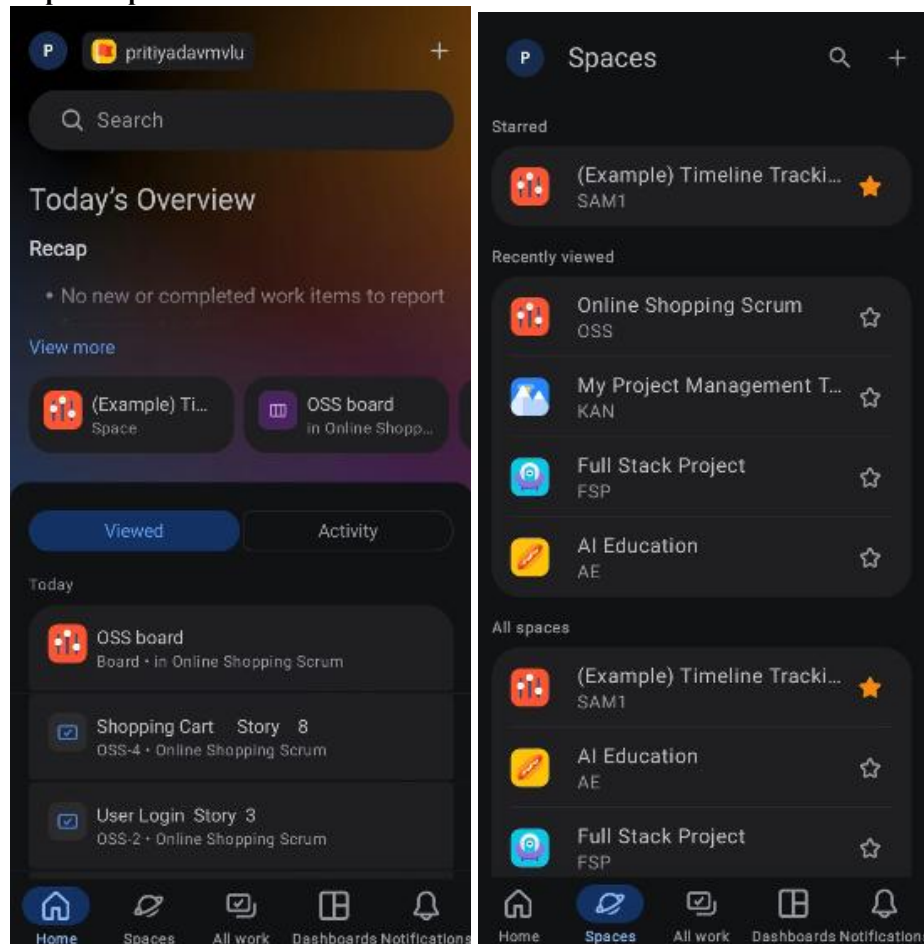

Step 5 – Enable Notifications

Step 6 – Allow Notifications

Step 7 – Update App Permissions

Step 8 – Open Jira Dashboard

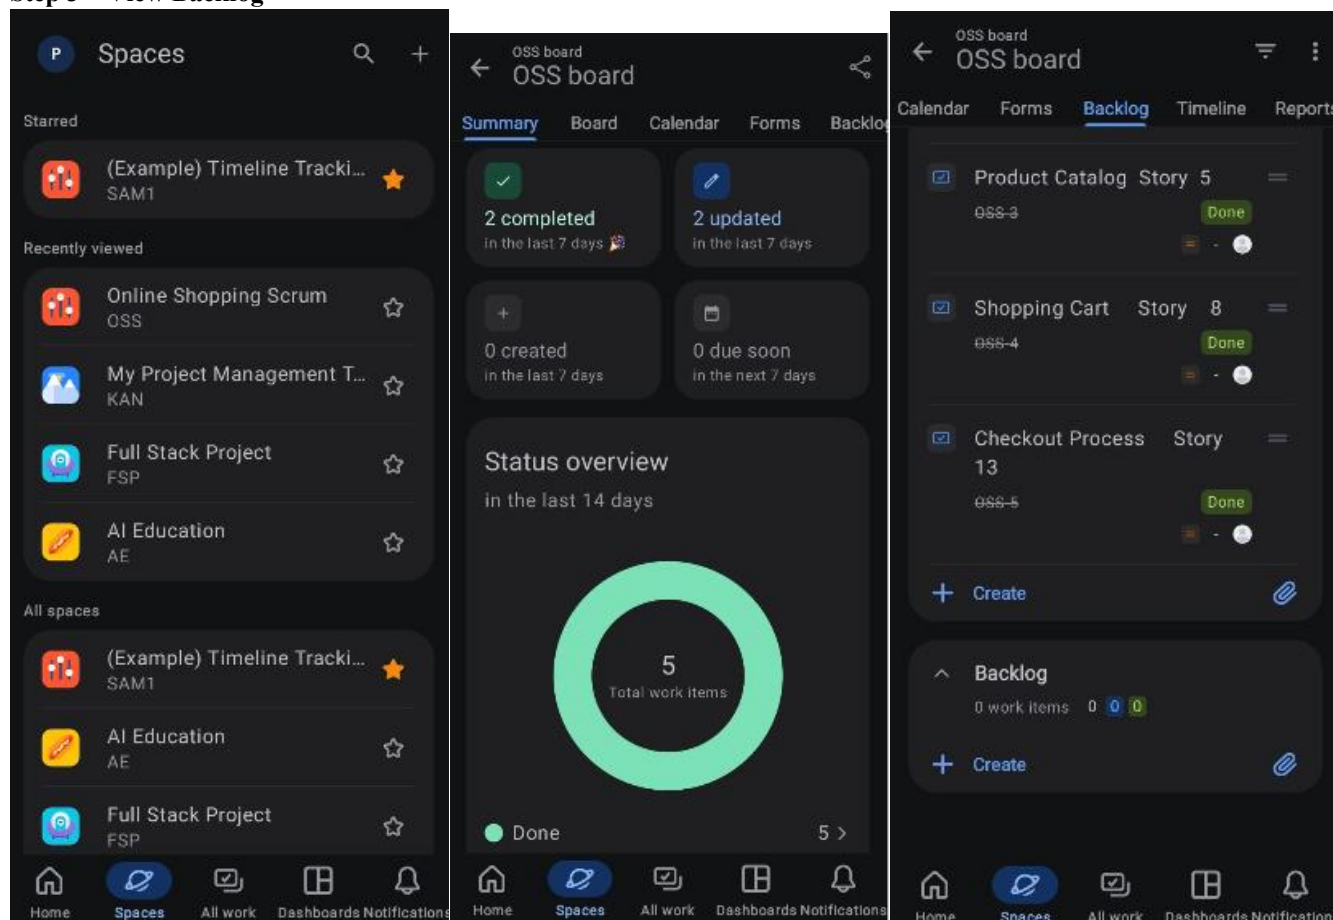

Result : The Jira Cloud mobile application was successfully installed and configured on the mobile device.

B. View and update issues from mobile (Status, Comment, Assign). Receive notifications and manage real-time updates

Step 1 – Open Spaces

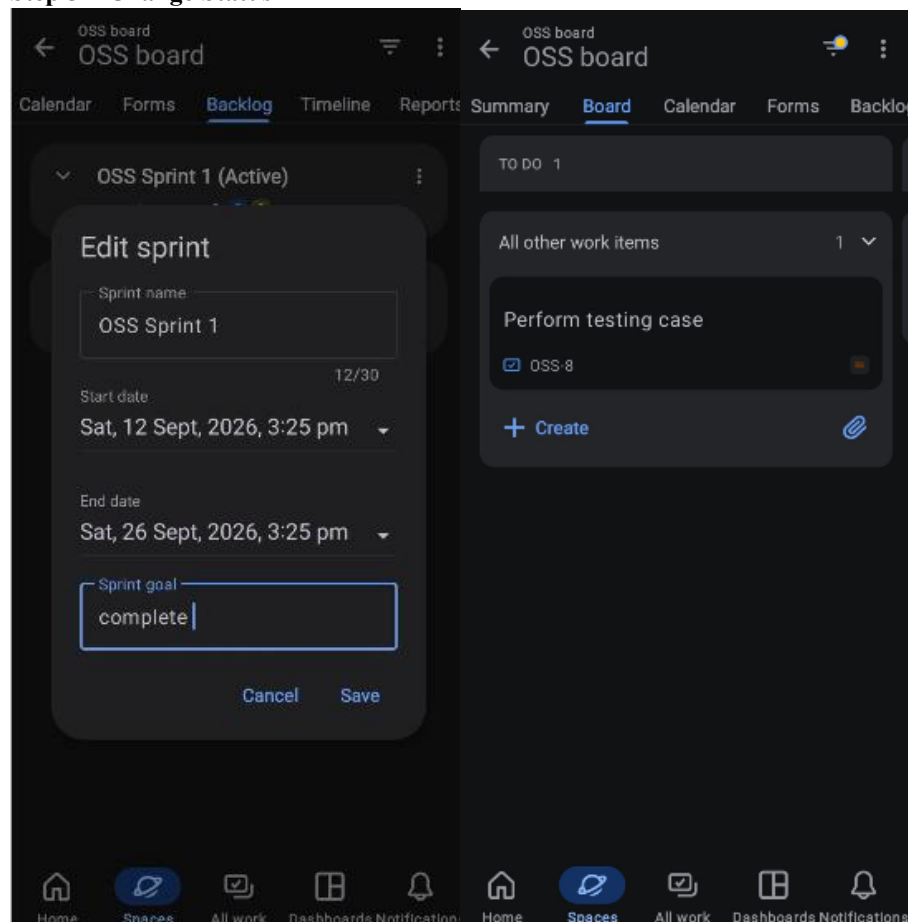

Step 2 – Open OSS Board

Step 3 – View Backlog

Step 4 – View an Issue: Perform testing case

Step 5 – Change Status

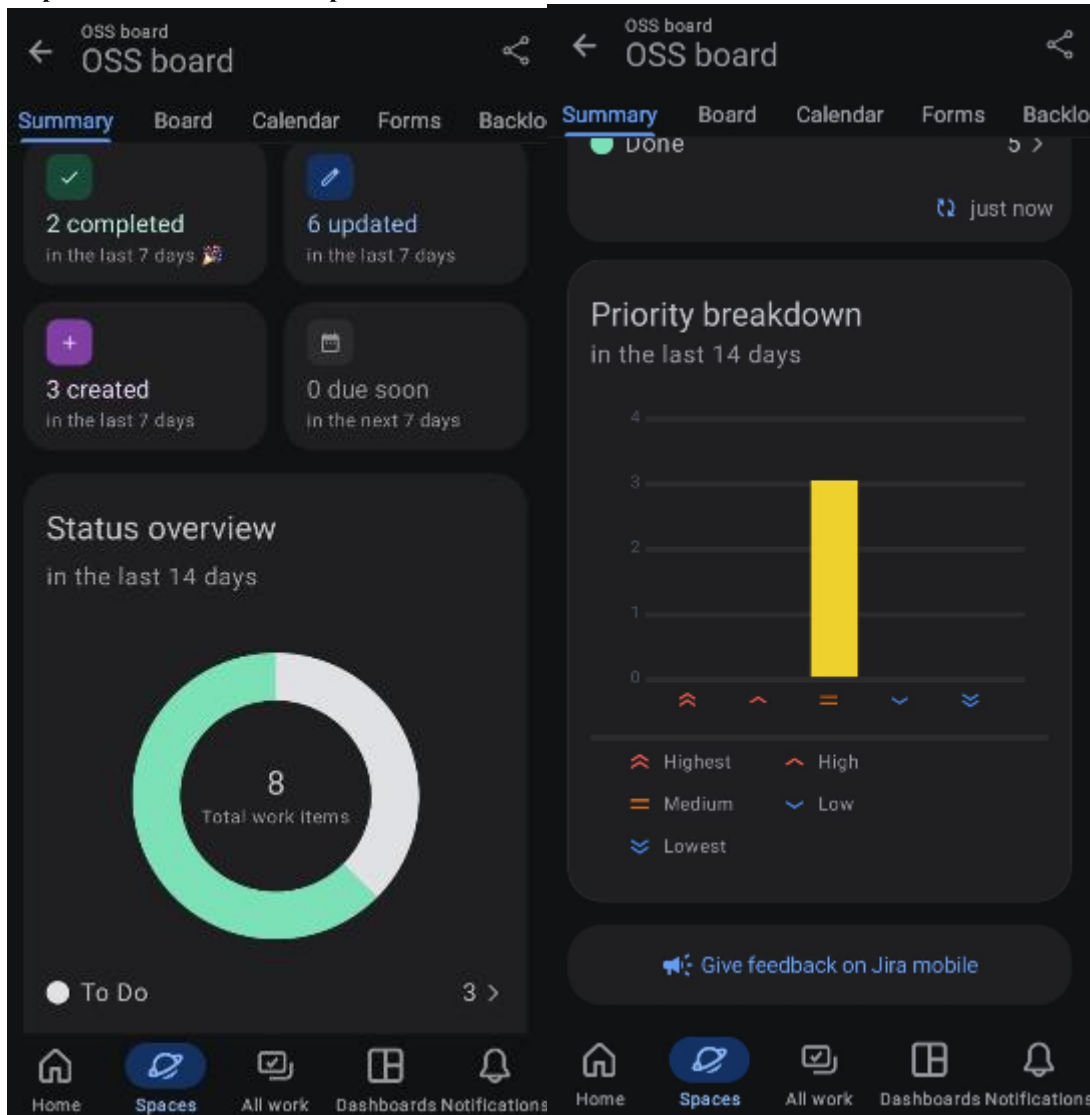

Step 6 – Add a Comment

Step 7 – Assign the Issue

Step 8 – Check the Board

Step 9 – Check Real-Time Updates

Result: Thus, the Jira Cloud mobile application was successfully installed and configured, and Jira issues were successfully viewed and updated using Status, Comment and Assign features. Notifications and real-time project updates were also managed successfully.
